503 STUDENT ATTENDANCE

[Note: The provisions of this policy substantially reflect statutory requirements.]

I. PURPOSE

- A. The school board believes that regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communications between teachers and students and establishes regular habits of dependability important to the future of the student. The purpose of this policy is to encourage regular school attendance. It is intended to be positive and not punitive.
- B. This policy also recognizes that class attendance is a joint responsibility to be shared by the student, parent or guardian, teacher and administrators. This policy will assist students in attending class.

II. GENERAL STATEMENT OF POLICY

A. Responsibilities

1. Student's Responsibility

It is the student's right to be in school. It is also the student's responsibility to attend all assigned classes and study halls every day that school is in session and to be aware of and follow the correct procedures when absent from an assigned class or study hall. Finally, it is the student's responsibility to request any missed assignments due to an absence.

2. Parent or Guardian's Responsibility

It is the responsibility of the student's parent or guardian to ensure the student is attending school, to inform the school in the event of a student absence, and to work cooperatively with the school and the student to solve any attendance problems that may arise.

3. Teacher's Responsibility

It is the teacher's responsibility to take daily attendance and to maintain accurate attendance records in each assigned class and study hall. It is also the teacher's responsibility to be familiar with all procedures governing attendance and to apply these procedures uniformly. It is also

the teacher's responsibility to provide any student who has been absent with any missed assignments upon request. Finally, it is the teacher's responsibility to work cooperatively with the student's parent or guardian, administration and the student to solve any attendance problems that may arise.

4. Administrator's Responsibility

- a. It is the administrator's responsibility to require students to attend all assigned classes and study halls. It is also the administrator's responsibility to be familiar with all procedures governing attendance and to apply these procedures uniformly to all students, to maintain accurate records on student attendance and to prepare a list of the previous day's absences stating the status of each. Finally, it is the administrator's responsibility to inform the student's parent or guardian of the student's attendance and to work cooperatively with them and the student to solve attendance problems.
- b. In accordance with the Minnesota Compulsory Instruction Law, Minn. Stat. § 120A.22, the students of the school district are REQUIRED to attend all assigned classes and/or study halls every day school is in session, unless the student has been excused by the school board from attendance because the student has already completed state and school district standards required to graduate from high school, has withdrawn, or has a valid excuse for absence.

B. Attendance Procedures

After a student has 15 consecutive absences, excused or unexcused, the school is obligated to notify the state of their absence; the state will officially un-enroll the student. However, administration will make a case by case decision with the family to determine holding their placement or dropping the student from attendance.

In the event a family takes an extended leave, the family must fill out a Notification of Extended Absence form, and return it to the school office prior to the extended absence.

1. Excused Absences

- a. To be considered an excused absence, the student's parent or legal guardian may be asked to verify, in writing or verbally, the reason for the student's absence from school.
- b. The following reasons shall be sufficient to constitute excused

absences:

- (1) Illness.
- (2) Serious illness in the student's immediate family.
- (3) A death in the student's immediate family or of a close friend or relative.

c. Consequences of Excused Absences

- (2) Days during which a student is suspended from school shall not be counted in a student's total cumulated unexcused absences.
- (3) In cases of recurring unexcused absences, the administration may also request the county attorney to file a petition with the juvenile court, pursuant to Minnesota statute 260C.201
- (4) Students with unexcused absences shall be subject to discipline in the following manner:
 - (a) From the first through the 3 cumulated unexcused absence in a trimester the student will not be allowed to make up work missed due to such absence.
 - (b) After the 3rd cumulated unexcused absence in a trimester a student's parent or guardian will be notified by mail that his or her child has a total of 3 unexcused absences and that the student's grade may be reduced by one increment for each unexcused absence thereafter.

- (c) After such notification, the student or his or her parent or guardian may, within a reasonable time, request a conference with school officials regarding the student's absences and the prescribed discipline. The notification will state that the school strongly urges the student's parent or guardian to request such a conference.
- (d) After 3 cumulative unexcused absences in a trimester the teacher may reduce the student's letter grade by one increment for each unexcused absence thereafter (i.e. A to A-). However, prior to reducing the student's grade, an administrative conference must be held with the student and parent.
- (e) If the result of a grade reduction or loss of credit has the effect of an expulsion, the school district will follow the procedures set forth in the Pupil Fair Dismissal Act, Minn. Stat. §§ 121A.40-121A.56.
